Music Delta:

- *a new way of teaching music*

Building up the
Global Music Community

We are more than
seven billion people
around the world. We
have one language in
common. **Music.**

7,000,000,000

Internet growth is a global megatrend.

Growth in the global Internet and Broadband sector has accelerated in recent years due to improvements in infrastructure, the arrival of wireless access technologies and lower tariffs.

Internet is Music Delta's world.

Music Delta is an Internet based learning resource and Community for exploring and learning music.

In Music Delta you can also create and publish your own music.

If you have electricity, a PC and students you also should have Music Delta and join **the Global Music Community.**

THE GLOBAL MUSIC COMMUNITY

Music Delta users now establish a global network.

the Global Music Community.

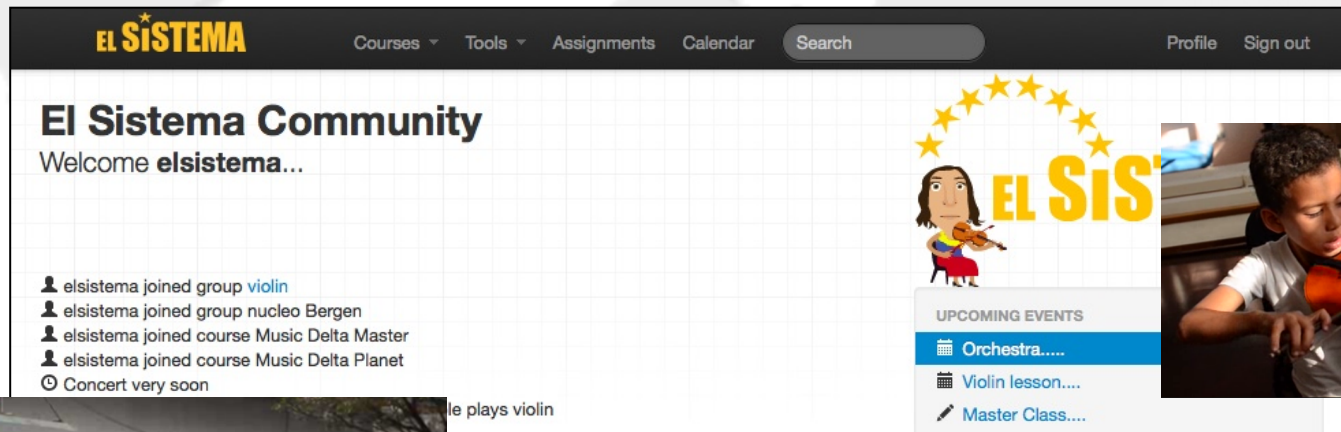

Users in different countries want to learn and create music. Music Delta let them learn, produce and share music through the Global Music Community.

THE GLOBAL MUSIC COMMUNITY

El Sistema started as a state foundation in Venezuela. Today the organization has 125 youth orchestra, 31 symphony orchestras, and 500,000 children attending its music schools around the country. 70 to 90 percent of the students come from poor socio-economic backgrounds in Venezuela.

Today we find ElSistema organizations spread all over the world!

ElSistema is a Global Music Community partner, using Music Delta!

EXPLORING AND **LEARNING**

Mr Abreu, the founder of El Sistema (Venezuela):

"My thanks to Music Delta for your contributions to the music education!"

LEARNING AND **SOCIALIZING**

Music Delta presents music, culture and e-learning applications through different courses, articles, music, tests and recommended video clips.

Through special designed and interactive applications, Music Delta differs from both traditional ways of learning and other e-learning programs.

Music Delta lets the users share their work.
